

Level 1 Award/Certificate/Diploma in Introduction to Preparation  
for Military Service

610/0513/7- 610/0514/9 - 610/0515/0

C00/45561/2 – C00/4561/3 – C004561/4

## Qualification aim

This qualification provides a general introduction to the requirements and commitments required and expected when entering military life. The range of optional units form a foundation for a learner to consider their options for progressing their interest in developing a deeper understanding of the military services.

## Qualification introduction

This qualification is made up of 8 optional units that will help learners to develop a basic understanding of the sector, providing initial skills, knowledge and performance that are required for success at initial selection for military life. Its units are a step-by-step process to introduce learners to the expectations and values required to underpin consideration for further progression in the military services.

## Assessment

In order to achieve this qualification a learner must complete the units as detailed in the achievement below. The assessment criteria determine the standard required to achieve each unit and allow for a variety of assessment methods to be used as appropriate to the environment the qualification is delivered in. There is no examined assessment element in this qualification.

## Progression

On completion of this qualification learners will be prepared to progress to a variety of careers within the armed forces, specialist level 2 or 3 qualifications in a range of occupations within the service would be suitable, this could include but not limited to apprenticeships.

## Achievement

Learners are required to achieve 9 credits for the Award, 24 for the Certificate and 37 for the Diploma
